

Are you an ICT user?

Learn how to use your PRINTER, FAX MACHINE and COPIER in an efficient way

If we make a responsible use of printers, fax machines and copiers, we will reduce their carbon footprint.

Always print out double sided and black & white

Avoid printing drafts and optimize the space before printing

Paperless policy: save paper

Do not leave unnecessary blank spaces

Purchase devices with an energy efficiency label

Do not use neither large fonts nor wide margins

To learn more, have a look at the full document "Guía de Buenas Prácticas" (Good Practices Guidelines) in our website
